PRESS RELEASE . 4th DEC. 2012

“new DIAMOND . LIMITED EDITION”

We are pleased to announce the launch of Diamond sideboard and Pixel Cabinet newest versions, a special edition for 2013. This new project conveys Boca do Lobo’s mission to interpret in an exquisite way the modern consumer’s desire for exclusive décor products, all the while maintaining the balance between the timeless values of decoration and utmost quality with an ever-growing modern vision.

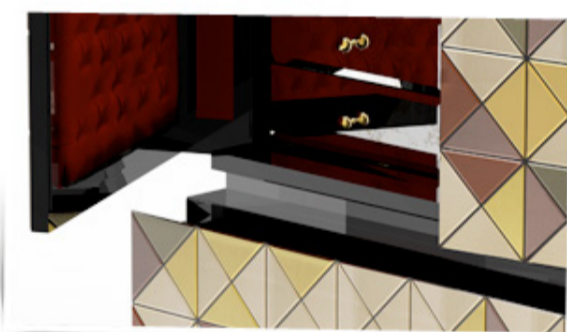

NEW Diamond

With the style of a precious jewel, the new Diamond sideboard, colored in green emerald, will make a splash in interior design since it is one of the hottest color trends for 2013. Like the amethyst Diamond, the new sideboard also features three highly sculptured doors leading to a gold leaf interior with shelving and two drawers. The exterior of this fanciful piece is now presented in silver leaf finished with a luxurious shade of translucent green emerald with high gloss varnish. And instead of the whimsical lion’s head feet, the new diamond presents a base made from mahogany lined with bronze mirror.

“new PIXEL . LIMITED EDITION”

Award-winning Pixel, with a new touch of geometrical art deco, will blow your guests away in the style stakes. The new cabinet is now more spacious as it is composed of two separated parts, divided by a panel made from polished acrylic. Inside its top we reinterpret a material and technique left in time – aged mirror and “capitoné”. The bottom contains four drawers decorated with handles in gold. This exquisite piece is composed by 1664 triangles made from anodized aluminum, creating beautiful shades like champagne, creme and pearl. These colors complement each other. The elegance of champagne and the warmth of pearl are a striking combination that will create a sophisticated ambience. The polished acrylic base gives Pixel a distinct personality, a strong and at the same time sophisticated character.

Ask your readers which one they like the most!

We also want to take this opportunity to let you know that very soon we will have a new website. An improved version of our previous one, where you will have a number of innovative features offering brand new experiences to our world. And our press area will also change! We released a new press area with the latest press releases and all the magazines that liked our work and shared it to their readers. A way to give a special thank you.

We would like to wish you a great festive season and stay tuned as 2013 will be full of new creations and exclusive new products!
