GOLD | FOLDING SCREEN

Possession of furniture with gold and silver leafing symbolizes wealth and prosperity. It was a status symbol in those ancient times that inspired our present furniture makers who adopted the concept of gold leafing. Our talented designers and master artisans created this highly desirable statement piece that is jewelry for the home.

FRANK | CHEST

This creation reinforces the status of the art of furniture, reflected in the most beautiful and sophisticated drawers that defy time and space. All drawers were worked by hand respecting the highest standards of quality, whether in the fine materials used, or in all the finishing details. The high level of demand is revealed in all phases of this creation, from its conception, until the finishing touch.

QUEENS | CHEST

Queens highboy is an exclusive piece for your modern living room or for your sophisticated bedroom. With its variety of exotic wood leaves, strong presence and bold character Queens distinguishes itself. The diversity of finishes evoke sensuality and elegance which are visible upon first meeting Queens.
