EDEN SERIES | CENTER TABLES

APOLLO | MIRROR

Drawing inspiration from the Olympian God of Light and the Sun, and one of the most recognized Gods of Ancient Greece, the generously sized Apollo mirror features a highly decorative starburst shape, capable of enhancing any interior environment.

EDEN SERIES | TABLE

Over the years, the Eden tables have become a favourite among art collectors and design aficionados alike, leading us to create a series of different sized tables which can be combined and adapted in various ways, meeting our different users' needs and tastes

GUGGENHEIM PATCH | CABINET

The internationally renowned art museum and one of the most significant architectural icons of the 20th century, the Guggenheim Museum, was the main inspiration for this exquisite Cabinet. Hand crafted by talented artisans using traditional methods and the finest of materials, the Guggenheim cabinet is ideal for storing glassware and fine silver collectibles, effortlessly complimenting any classic or modern interior setting.

MONDRIAN | SIDEBOARD

Considered an art piece rather than utilitarian furniture, the Mondrian Sideboard undoubtedly constitutes a unique and collectable object that is different from anything else, which exudes a sense of both experimental design and luxury.

SOHO | CONSOLE

MONET | CENTER TABLE

SOHO | CONSOLE

The Soho Console, based on the Soho Sideboard, features a collection of wooden drawers finished in mirror and black glass with etched detailing, gold leaf, diamond matched rosewood veneer, high gloss blue or pink lacquer, and white lacquer with hand carved relief patterning. It's classic traits blend perfectly with its modern design, making it an elegant and contemporary piece.

MONET | CENTER TABLE

The Monet Centre Table is an immersive piece that manifests the magic of Boca do Lobo's universe and design concept. It's metallic table-tops are supported by a geometric base, creating a beautifully balanced contrast of shapes and materials.
