Globetrotters who only stay at the very best hotels and suites around the world have a new must visit place to experience – the new Boca do Lobo suite at Hotel Infante de Sagres, a Portuguese Boutique Hotel which is in the ultra exclusive list of the [Small Luxury Hotels of the World](#).

Located at the heart of Oporto, which has just been elected the Best European Destination of 2014, Hotel Infante de Sagres is a perfect urban retreat where you can experience original antique furniture, an exclusive collection of modern art and emotional design pieces.

The luxury brand and the hotel have started a successful partnership back in 2008, when Infante de Sagres became Boca do Lobo's showroom. Since then, guests can see the brand's exclusive design pieces of furniture art all around the hotel and have their meals at Boca do Lobo's exclusive restaurant.

Now, this partnership has been strengthened by an exclusive Boca do Lobo suite. The largest room in the hotel, this suite has received important international personalities. It will continue to do so, only now with a new concept!

As Marco Costa, Boca do Lobo's head designer explains, "the aim was to create a space where guests can have a real emotional design experience. Boca do Lobo Suite is decorated with timeless pieces, each one born from a specific story and brought to life through traditional manufacturing techniques and the passion of skillful master artisans. All these techniques and all this passion can be felt inside. It is a real luxury experience."

Design lovers, in specific, will be amazed by the mix of traditional techniques and creative modern design, classic and innovative finishings and, above all, by the living proof of how talented young designers and skillful master artisans can unite their efforts in order to create unique pieces of furniture art!

Spending a night in this suite is a total immersion in a world of luxury and design! Whether you love design or simply want to have an incredible luxury experience, Hotel Infante de Sagres's Boca do Lobo suite is a place you definitely should visit, right in the heart of the Best European Destination of 2014 – Oporto.
