## CELEBRATING 10 YEARS OF EXCLUSIVE DESIGN AT SALONE DEL MOBILE | MILANO

14-19 APRIL 2015 | HALL 6 – STAND F56

Ten years full of design, accomplishments and opportunities.

It is time to celebrate, and what better than representing the best of contemporary and innovative design at Salone del Mobile? Since 2005, we have been working to share the best Portugal has to offer: the knowledge of the artisans with years of wisdom and experience and the tradition of working with the noblest materials, always with an innovative perspective adapted to the new trends. To celebrate this special date, Boca do Lobo will exhibit some newly released pieces for the first time.

Allying elegance and refinement in timeless collections, those characteristics are ingrained in even the smallest aspects through insatiable attention detail. Created to bring excellence to furniture design, every piece reflects dedication and passion for traditional craftsmanship, with a unique personal touch.

BOCA DO LOBO'S NEWS PRESENT AT ISALONI

VENETO | MIRROR

Reflecting refinement and luxury, Venetian mirrors are timeless, with their slender lines, arcs and precise details. Inspired by this exquisite concept, Veneto is an artwork for itself. It allies the best of classical Venetian mirrors, combined with an original and bold approach, made using traditional techniques which have been passed down for generations. Ideal for your living room or hall, it has a round convex mirror on top, creating the illusion of amplitude, and is able to turn your home into a unique and charming space.

GLANCE | MIRROR

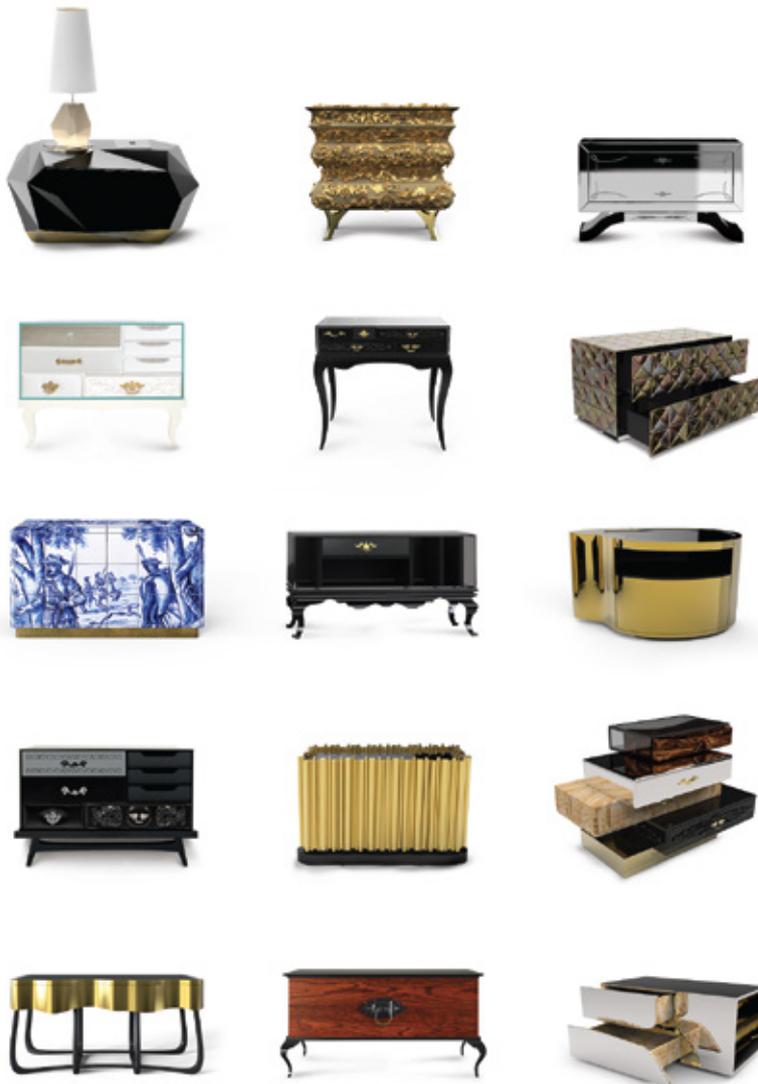

With order being the pleasure of the reason, disorder is the delight of emotions. What seems confused and cluttered can, in a glance, acquire a new meaning, capable of inspiring and becharming us. The Glance Mirror tells us that story, the crossroads of life, and the reason among the chaos. The concept of a defragmented mirror brings out its noblest gold plated finish, where its unique beauty comes from daring to risk and challenge the conventional.

### FORTUNA | DINING TABLE

A fresh contemporary dining table and a shimmering statement from Boca do Lobo. Gold is one of the color themes that best represents the essence of empowerment, sophistication, mystics, and enticement, which is implicit in this piece and strongly transmitted in our brand philosophy.
