MAISON & OBJET PARIS 2015

SHARE YOUR INSPIRATIONS...

Organized twice a year, Maison&Objet Paris is one of the major European events dedicated to decoration and design!

For four days, the premises of the Paris-Nord Villepinte will one again be the center of attention for all professionals looking for new design and décor trends.

This year Maison&Objet Paris celebrates the 20th Anniversary in January and the progress made since 1995 is considerable. The early vision, which was daring and unique, has stayed inimitable: bringing together all the major players in the home and decoration at a single show, aimed at inspiring, showcasing creativity, and for doing business.

10 UNIQUE DESIGNS!

BOCA DO LOBO CELEBRATES THE 10TH ANNIVERSARY
AT M&O 2015 10 YEARS...

BOCA DO LOBO was created to bring excellence to furniture design. Since 2005 we have been working to share the best Portugal has to offer: the knowledge of its people who design and create furniture art, the tradition of working with the noble material of wood, and the artisans and joiners who create the pieces with their years of wisdom and experience and their love and dedication to the art that they perform.

To celebrate this special date, Boca do Lobo will exhibit some newly released pieces for the first time at M&O15:

LAPIAZ | TABLE

Lapiaz inspired this unique coffee table. The french word is the name given to the typical karst formations produced by surface dissolution of limestone or dolomite rocks.

It can also be caused by freezing and thawing in cold climates.

This is how Lapiaz luxury coffee table emerged. Imagine a stone frozen and freshly cracked to show the intire world a rich, golden interior.

SYMPHONY | SIDEBOARD

With a vision to understand the past and interpret it through cutting-edge technology and contemporary design, we have created this emotionally evocative furniture piece passionately inspired by music.

A cluster of polished brass tubes envelope an exotic wood structure, creating a harmonious artful juxtaposition to rhythm of the pipes.

We strive to present our admirers with the most innovative designs and highest quality works of art which bring emotion in to their interior environments.

This year's Maison&Objet inspiration theme is "MAKE".

It's a homage to the craftsmen and artisans that are redefining the rules of cutting-edge design.

At Boca do Lobo, we make MAKE exclusive pieces, which push the boundries of design and first-class craftsmanship in every element that we create, and we do it with Passion.
