

## *Boca do Lobo at Maison & Objet*

Hall 7 Stand I2 - J1

22<sup>nd</sup> – 26<sup>th</sup> January

2016 begins with Maison & Objet, the semiannual trade show for lifestyle, decor and design that will take place in Paris from the 22nd to 26th of January. **Boca do Lobo** will exhibit design pieces which cover over ten years of creative work.

At this year's edition of Maison & Objet, Boca do Lobo will proudly present over 10 new designs, from sideboards, to consoles and dining tables. These include additions to two of the brand's most emblematic design families, the Lapiaz and Millionaire, and other entirely new models. One of the most successful releases of the past year, **Glance Mirror** will also be presented for the first time.

*Maison & Objet celebrates twenty years*

The key meeting place for professionals in the art of living brings together a 360° offer that is in line with the diverse needs of global markets. For 20 years this large lifestyle platform, at the crossroads of business and creativity, provides solutions that meet the needs of visitors from around the world. An event unlike any other in the world, it is not to be missed!

The Lapiaz side table is a true luxury furniture piece that boasts elegance and discerning taste. Inspired by the karst formations and cracks found on the surface of limestone and dolomite rocks, the Lapiaz features a minimalist geometric exterior surface, which by contrast is met with an organic and rich inside.

With the style of a precious jewel, the new Diamond sideboard, colored in chocolate brown, will make a splash in interior design. Like the amethyst Diamond, the new sideboard also features two highly sculptured doors leading to a gold leaf interior with shelving and one drawer.

*PASSION IS EVERYTHING*

### ***Symphony Sideboard***

The Symphony Sideboard draws inspiration from church organ tubes, as well as the curves of violin. Like all of Boca do Lobo's designs, the Symphony is hand made by experienced craftsmen, each with different specialties, from metal-work to wood carving.

*Millionaire Luxury Safe*

Boca do Lobo piece is a safe-box that promptly takes us to scenes strongly creased in our memory, deeply enriched by today's visual culture. This piece reposes a long life! Born in the beginning of the 19th century, followed the increase of bank robberies after the Gold Rush of 1849 and kept itself sacred to successive break-in attempts, remaining deformed forever.
