L'Chandelier | Chandelier

L'Chandelier is a dreamy, elegant and luxurious lighting piece, incomparable and impressive as the romantic Champs-Élysées avenue, frequently described "la plus belle avenue du monde" ("the world's most beautiful avenue"). This luxurious symbol of Paris transformed into this beautiful hand crafted, polished brass Chandelier. L'Chandelier's marvelous dancing shape was realized through the antique technique (Repoussé) used widely with gold and silver for fine detailed work, during 3rd century BC. L'Chandelier offers a fine balance of warm sophistication and metal edginess. Infinitely beautiful. Classical. Exquisite.
