From 12th to 17th April, Milan is going to be on the spotlight with Salone del Mobile as the leading forum for ideas, creativity and innovation, showcasing the latest home living styles through the most advanced design trends in the industry.

Reaffirming its presence in the world of luxury and interior design, BOCA DO LOBO will present 4 entirely new design pieces, inspired by places and emotions that marked the design team.

### EMPIRE | CENTER TABLE

Designed and built to make an impression and deliver an unmatched experience, this exquisite piece will add a breathtaking touch of elegance and glamour to your luxury living room. The Millionaire center table is built from mahogany wood, and features a polished brass surface.

### ROBIN | MIRROR

From the legend born in the depths of Sherwood Forest, ROBIN Mirror embodies the strength and character of noble ages, giving them a modern approach. The fish-eye mirror is supported by a brass structure that turns ROBIN into one of the most emblematic pieces of the entire collection.

### EMPIRE | DINING TABLE

Great Empire's take centuries to build, and those who rise after taking a fall find their true strength. The Empire dining table symbolizes generations of gatherings and decisions, both in times of celebration or tension. Its cracks reflect tough times, revealing a gold interior in a manifesto towards power.
