LUSITANO CORNER AT CASA DÉCOR MADRID

A fascinating and memorable creation by Pepe Leal, gathering more than twenty of the most distinguished Luxury Furniture Portuguese Brands in Madrid.

Spanish Interior Designer Pepe Leal carefully selected Portuguese historic and significant materials so that he would be able to reflect perfectly the Portuguese culture and the kind of furniture that has been made in Portugal.

From the ceilings, passing through the walls and floor, until the décor itself, each and every detail came from Portugal in the creation of the Lusitano Corner, Pepe Leal's most recent design project.

All luxury furniture pieces were flawlessly selected, among them you can find:
Eden Center Table, Tiffany Stool and Heritage Sideboard by Boca do Lobo.

Everything happened in Madrid, the capital city of Spain and the perfect place to toss new trends as it is a golden mine of Interior Designers.

PASSION IS EVERYTHING

HERITAGE | Sideboard

Hand-painted-tiles have gained a privileged place in architecture throughout the centuries. Portugal has adopted them like no other country has and in order to honor the Portuguese hand painted tiles, Boca do Lobo created Heritage Sideboard. This piece presents a different number of layers, where each one tells a different story.

EDEN | Center Table

The mystic behind the name inspires Eden. This center table represents a part of the tree of knowledge and the tale of the birth of desire. Boca do Lobo uses the highest quality materials and textures, giving them shapes through objects that create a cosmopolitan luxury environment, finding the finest example in this table. Fully made of polished casted brass, with a delicately engraved top exposing the heart of a golden tree to the very heart of a home.

TIFFANY | Stool

The soft curves of Tiffany stool and its versatility make this piece even more appealing. This modern stool with unique characteristics possesses smooth curves for a more modern and sculptural appeal. It can be a functional piece table for lateral support of chairs and sofas. Tiffany stool is available in solid oak wood, oak or mahogany. It's made from a technique that results from the collage of various laths or wastes of wood to form the wanted dimensions.
